

Welcome to the set-up of my Online Studio!
It's really easy to use. Just follow these steps:

1.

CHOOSE YOUR DEVICE

You can use your computer, iPad, phone or another other device that connects to the internet.

2.

CLICK ON THE LINK

Click on the link in your lesson reminder email:

"Join Video Conference"

3.

ALLOW MICROPHONE AND CAMERA

The first time you enter into my Online Studio your device will ask you about allowing it to access your microphone and camera. Select "Allow" when you see this message.

4.

JOIN THE FUN!

That's it! You should be able to see me and I see you!

Time for our lesson to begin.
