

# duet Online Studio

## One login... One studio.

Duet Partner has partnered with Real Time Audio to give music teachers the ultimate Online Studio integrated directly in their Duet account!

With a simple click of a button within your calendar lesson, both teacher and student are brought together in an online space that is dedicated to enhanced sound quality specific to a musical environment. Along with the high quality sound, teachers can also find musical tools found within the space such as an interactive keyboard, guitar chart generator and even a chromatic tuner!

- ✓ Ultra-low latency technology
- ✓ Option for Plug & Play box for realtime play
- ✓ Whiteboard
- ✓ Download File Share
- ✓ Chat
- ✓ Waiting Room
- ✓ Screen Share
- ✓ Multiple participants
- ✓ No time limits
- ✓ Livestream Recitals

### SAVE MONEY

Opt in to add \$8/month to your Duet subscription - half the price of other video conferencing tools!

### AUDIO TECHNOLOGY FOR ENHANCED SOUND

Ultra-low latency technology allows you to have the type of online lesson you long for. Less lag, more sound!

### BUILT IN MUSIC TEACHING TOOLS

Three octave interactive keyboard, metronome, whiteboard, guitar chart generator, guitar scale generator, a chromatic tuner and more!

### NO TIME LIMITS

With long hour teaching days in mind, Duet's Online Studio includes no time limits! It also takes into account group lessons and gives you the freedom to have large class sizes.
